Date: July 8, 2021

RE: CBBEP Bays Council Nomination of Chair and Vice-chair

The CBBEP Board of Directors recently updated the Program's Bylaws which specify that the Bays Council is to elect a Chair and Vice-chair for terms not to exceed two (2) years. In addition, the Chair, or the Chair's designee, will also serve on the CBBEP Board of Directors. The election of officers is to be held during the annual Bays Council meeting. CBBEP accepted self-nominations for the Chair and Vice-chair positions during a period in July 2021. Below is the list of nominations that were received:

Chair: Jace Tunnell – Director, Mission-Aransas National Estuarine Research Reserve

Vice-chair: Dr. Lauren Hutch Williams - Resilient Coast Program Director, The Nature Conservancy
